DORCHESTER KITE FESTIVAL

SATURDAY 6TH JUNE 2026

Dorchester Town Council is looking to work with local businesses to bring an exciting new festival to the county town on Saturday 6th June 2026.

The first Dorchester Kite Festival will be a fantastic **free community event that will bring a great deal of visitor spend to the town** but we need your support to make it happen. We have created three sponsorship options so that you can boost your business visibility and give back to the community via this positive and exciting festival.

The media interest is going to be huge around this festival. The Weymouth Kite Festival was a very popular event nationally that brought a lot of visitors (40,000 at its peak) and money to the town. It is remembered fondly in the professional kite flying community and they are keen to have another event in this area of the country again.

Dorchester Town Council is experienced in organising quality community events that are popular with residents and increase visitor footfall to the town. This includes Anonymous Festival (4500 attendees) and Dorchester Roman Festival (4000 attendees). White Horse Kite Flyers (WHKF) were involved in the Weymouth Kite Festival in its heyday and have already committed to bring along their spectacular kites to the Dorchester Kite Festival (see photos on next page). WHKF are very professional organisation with public liability insurance and experience of organising events. They are members of the British Kite Flying Association so you can rest assured that this will be a well organised, safe and spectacular event.

The festival will go ahead whatever the wind conditions. Representatives from White Horse Kite Flyers have visited the Great Field and done some test flights to check suitability. They said:

"It was a very successful test flight. There was some lovely positive feedback from the local residents who came and chatted. I think it's fair to say there is a lot of enthusiasm from us to support you in any way we can in helping make this happen."

6

REASONS TO COME ON BOARD AS A SPONSOR TODAY

- 1 Enhanced Brand Visibility:** Sponsoring events significantly increases your brand's visibility, putting you directly in front of potential customers who are engaged and interested in your offerings.
- 2 Networking Opportunities:** Event sponsorship opens doors to valuable networking prospects, allowing businesses to connect with other businesses and consumers.
- 3 Building Credibility:** Associating your brand with reputable events enhances your credibility and demonstrates your commitment to community engagement, positively influencing customer perception.
- 4 Strengthening Community Ties:** Sponsorship reinforces your connection to the local community, fostering brand loyalty and establishing your business as a supportive player in local initiatives.
- 5 Customer Loyalty and Trust:** Engaging with your audience during events builds trust and loyalty, as consumers appreciate brands that invest in social responsibility and community well-being.
- 6 Reach your target audience:** Kite festivals are popular with a broad age range including families and couples (younger and older). The event will involve a lot of local community groups and have a real community feel, so you will be able to reach lots of new local customers.
